

Good Afternoon,

A description of our online learning option is now available on our division website (https://www.spschools.org/district_operations/covid-19/online_learning).

If you are interested in registering for online learning for quarter 1 (September 08 to November 05), please complete the following registration form (https://docs.google.com/forms/d/e/1FAIpQLScB2nDHq7jEITk006WsLC4SCwdbpjgoMbYGN5TUB9WZ0_OctQ/viewform). As many families have changed their minds since the intentions survey was closed, we ask that **ALL** families who wish to register for online school complete the registration form. If at all possible, please register August 31.

Our online teachers will be in touch the week of August 31 to discuss programming and scheduling.

Please note that any child enrolled in online school will also retain their enrollment in their current school.

If you have any questions, please call our division office at 780-460-3712.
