

Instructions for selecting options for the 2023-24 School Year

This year we will have students/parents make option selections through PowerSchool. This process cannot be done on the App. Please note, all choices must be made by midnight, March 22!! You will make your course selections through the Parent Portal on PowerSchool and they will be sorted according to what works best for your timetable. Your first choices will be used unless there is a schedule conflict. This is why we request that you make an alternate choice on the course selection form. Please do not choose alternates that you have already chosen for your first choices. If you do choose an alternate that is the same as the top 3 choices you have made, another option will be chosen for you.

Please sign into your Parent Portal and follow the instructions below for selecting your options. Use this following link to sign into PowerSchool. <https://spschools.powerschool.com/public/>

You will then either create an account if you haven't already, or sign in using the username and password that you have set up previously. If you have created an account and do not remember your username or password, please contact the office and we can provide you with this information.

Once you have signed in, on the left hand column you will see the heading "Class Registration". Click that link. It will take you to the following page.

You will need to select a total of 3 credits for the school year. Phys. Ed. is a required course that you will also be registered in.

For each section you will need to click on the  on the right of the screen to make your choices.

Welcome to the Lorne Akins Junior High School Class Registration System for 2023-2024

Thank you for selecting your options for the 2023-2024 school year. Please read the option descriptions carefully before making your choices as changes will not be possible. Please choose 3 options. If you have chosen Sports for Life as one of your options, it will count as two options. You will only need to select one more option. You should have 3 credits once you complete this page.

Select the options you want to choose by clicking in the box to the left of the option name. Make sure you are choosing the correct number of options.

Grade 9 Options

<input type="checkbox"/>	Digital media 9	LDC9289			
<input type="checkbox"/>	Drama 9	FNA9320	Have you ever considered a career in the theatre? This may be the beginning! This course is designed for everyone from the class clown to the timid wallflower. Through pantomime, movement and improvisation, students will develop confidence in performing in front of a group. Students may also work on group projects in a fun and non-threatening atmosphere. The overall goals of the Drama program are to foster positive self-concept, group interactions, competency in communication skills, and an appreciation for drama as an art form.	1
